Re: Docket No. 2010-107-T; Application of Iruobe Ojehomon d/b/a Oje's Taxi for a Class C (Taxi) Certificate of Public Convenience and Necessity.

Dear Ms Boyd:

Regarding the above application and pursuant to the PSC directive dated March 31, 2010, the Office of Regulatory Staff respectfully submits its findings and recommendations to the Commission. Upon review of the ORS records and the application contained in Docket No. 2010-107-T, everything appears to be in order. Therefore ORS does not object to the Commission putting this matter on the agenda for action.

Please accept the original of this letter for filing and return the copy enclosed to me in the envelope provided.

If you have any questions, please feel free to contact me.

Sincerely,

L. George Parker Jr.
Manager, Transportation Department, ORS
